of Soldier Summit, Utah.
September 29 1933

Present: Pres. Parley Bills, J F Beyack, C E Maddox, R D Shepard
C H Milton, Ralph Lewis, Vilda Bills.

Pres. Bills explained the plan he had outlined, for the Rail Road Company's using the Towns overflow and the Town's supplying the Rail Road Company's houses should the Town get the government loan to pipe their own water.

Mr Bills read a letter from L C Montgomery stating that Mr Shields would like to meet Mr Bills and Mr Montgomery in Denver, one day next week, as he would not be able in Salt Lake for some time. Pres. Bills asked for authority to draw \$150.00 expense money, to make the trip to Denver. It was the census of the meeting that Mr Bills had authority already given him at the regular September meeting, to make the necessary expenditures in acquiring the loan for the Towns water system.

Mr Beyack and Mr Maddox were excused as they had another engagement, the meeting was continued upon the arrival of Mr Milton and Mr Shepard.

Mr R D Shepard and C H Milton authorized Mr Bills to make the necessary arrangements with the Helper State bank for an over-draught until the next regular meeting.

of Soldier Summit Utah.
October 7 1933.

Present: Pres Parley Bills, C H Milton, C E Maddox, R D Shepard
J F Beyack, Ralph Lewis, Vilda Bills.

Mr Beyack reported there had been several complaints about the Towns standing the expense of repairing the jail cess-pool, because a trespasser had broken thru the top with his truck. The amount was so small it was decided to pay the bill, and put a "no trespassing" sign up. The marshal was instructed to find how many cesspools there are about town, and the clerk will write to the property owners and tell them they must fence the cess-pools in or make them safe other ways.

If the State doesn't start work on the road before bad weather starts, the road committee will see that the culvert in front of the drug store is covered over.

Mr Bills reported on his trip to Denver to see Mr Shields. Mr Shields promised to have the Rail Road Company's engineers investigate the companys water system.

He will refer the matter to Mr Hugh Wilson, local superintendent, and will be governed by the engineers report and Mr Wilson's advise. Mr Shields will notify the town what will be done in about two weeks.

AN ORDINANCE PROVIDING FOR THE REHABILITATION OF THE SOLDIER SUMMIT WATER WORKS SYSTEM, FOR THE RELIEF OF UNEMPLOYMENT, FOR THE ISSUING OF REVENUE BONDS AND FOR THE FINANCING OF THE SAID RELIEF PROJECT.

- - - - -

WHEREAS, due to the existence of wide spread unemployment and the need of relief for the inhabitants of the Town of Soldier Summit, an emergency is hereby declared to exist, and

WHEREAS national and state legislation has been passed appropriating money and providing for the loaning of the same to cities for the relief of unemployment through construction and improvement of needed public utilities, and

WHEREAS the President and the members of the Town Board of Soldier Summit have outlined a public works improvement program consisting of improvements to the present inadequate water works system, the proposed improvement to consist of a main feed line tapping a spring about six miles from the Town of Soldier Summit and conveying the water through a six inch, fourteen gauge welded joint wrapped supply line, the estimated cost of the project to be \$28,000.00, revenue bonds or general obligation bonds as may be required by the Federal Government to be issued at an interest rate not in excess of six per cent semi-annually, the said bonds to be redeemed by the Town of Soldier Summit during a period not in excess of thirty years.

NOW, THEREFORE, BE IT ORDAINED by the Town Board of Soldier Summit, Wasatch County, State of Utah:

SECTION 1. That for the purpose of discharging the proposed \$28,000.00 obligation to the Federal Government of the United States there shall be issued revenue bonds or general obligation bonds of the Town of Soldier Summit based on the revenues to be derived from the town water works system or from the general tax levy assessed for the maintenance of the said system, such bonds to be issued at such times, and in such numbers and denominations, and at such rates of interest and maturity at such dates, and in all particulars conform to the requirements of the Federal Government for the funding of said obligations and as shall be lawful under the laws of the state of Utah.

SECTION 2. All moneys received for any such bonds shall be used solely for the purchase, construction, improvement, enlargement, extension, or repair of the proposed project, including architectural, engineering, legal, and other expenses incidental thereto, provided, however, that such moneys may be used also to finance the payment of interest on such bonds during the first three (3) years following the date of each bond, provided, however, that any unexpended balance of the proceeds of any such bonds remaining after the completion of the project shall be paid immediately into a Bond and Interest Sinking Fund for such bonds and the same shall be used only for the payment of the principal of the bonds, or, in the alternative, to acquire outstanding bonds of the general issue from which the proceeds were derived for the purchase of such bonds at a price (exclusive of accrued interest) not exceeding the face amount thereof. Any bonds so acquired by purchase shall be cancelled and shall not be reissued.

AN ORDINANCE PROVIDING FOR THE REHABILITATION OF THE SOLDIER
SOLDIER WATER WORKS SYSTEM, FOR THE RELIEF OF UNEMPLOYMENT,
FOR THE ISSUING OF REVENUE BONDS AND FOR THE FINANCING OF
THE SAID WATER PROJECT.

WHEREAS, due to the existence of wide spread unemployment
and the need of relief for the inhabitants of the town of Soldier
Summit, an emergency is hereby declared to exist, and

WHEREAS national and state legislation has been passed ap-
propriating money and providing for the loaning of the same to cities
for the relief of unemployment through construction and improve-
ment of needed public utilities, and

WHEREAS the President and the members of the town board of
Soldier Summit have outlined a public works improvement program
consisting of improvements to the present inadequate water works
system, the proposed improvement to consist of a main feed line
tapping a spring about six miles from the town of Soldier Summit
and conveying the water through a six inch, fourteen gauge welded
joint wrapped supply line, the estimated cost of the project
to be \$28,000.00, revenue bonds or general obligation bonds as may
be required by the federal government to be issued at an interest
rate not in excess of six per cent semi-annually, the said bonds
to be redeemed by the town of Soldier Summit during a period not
in excess of thirty years.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN BOARD OF SOLDIER
SUMMIT, Wasatch County, State of Utah:

SECTION 1. That for the purpose of discharging the proposed
\$28,000.00 obligation to the federal government of the United
States there shall be issued revenue bonds or general obligation
bonds of the town of Soldier Summit based on the revenues to be
derived from the town water works system or from the general tax
levy assessed for the maintenance of the said system, such bonds
to be issued at such times, and in such numbers and denominations,
and at such rates of interest and maturity at such dates, and
in all particulars conform to the requirements of the federal
government for the funding of said obligations and as shall be
lawful under the laws of the State of Utah.

SECTION 2. All moneys received for any such bonds shall be
used solely for the purchase, construction, improvement, enlarge-
ment, extension, or repair of the proposed project, including
architectural, engineering, legal, and other expenses incidental
thereto, provided, however, that such moneys may be used also
to finance the payment of interest on such bonds during the first
three (3) years following the date of each bond, provided, how-
ever, that any unexpended balance of the proceeds of any such
bonds remaining after the completion of the project shall be paid
immediately into a bond and interest sinking fund for such bonds
and the same shall be used only for the payment of the principal
of the bonds, or, in the alternative, to secure outstanding bonds
of the general issue from which the proceeds were derived for the
purchase of such bonds at a price (exclusive of accrued interest)
not exceeding the face amount thereof. Any bonds so secured
by purchase shall be cancelled and shall not be released.

SECTION 3. The reasonable cost and value of any services rendered to the town by the project may be charged against the town as the case may be, may be paid for periodically as the services accrue from the current funds, and money so paid shall be accounted for in the same manner as other revenues of the project.

SECTION 4. Additional bonds and other extensions and permanent improvements, which additional bonds may be issued and be negotiated from time to time as such proceeds for such purpose as may be necessary, may be issued and shall have equal standing with the bonds of the original issue.

SECTION 5. That as a means of financing the funding of said revenue or general obligation bonds, as the case may be, such rates shall be assessed in the town water works system or under the general tax levy for the maintenance of the said system as shall be sufficient to provide for the payment of the interest upon and principal of all such bonds as the same may become due and payable, to create a Bond and Interest Sinking Fund therefor, to provide for the payment of the expenses of administration and operation and such expenses for the maintenance of the water works system necessary to preserve the same in good repair and working order, to build up a reserve for depreciation, to build up a reserve for improvements, betterments, and extensions other than those necessary to maintain the same in good repair and working order, and to pay the interest on and the principal of any other bonds and obligations outstanding and issued in connection with the purchase, construction, repair, or improvement of the system. Such rates shall be fixed and revised from time to time so as to produce these amounts, and there shall be proscribed on the face of each of said revenue bonds issued ~~th~~ agreement on the part of the Town of Soldier Summit that said revenue shall be first set aside for payment of the said bonds in preference to all other obligations of the said water works system, and to maintain such rates for services furnished by the water works system as shall be sufficient to provide for the foregoing, but not in excess of a reasonable rate for the services rendered.

SECTION 6. That this ordinance shall be published by posting in at least three (3) of the most public places in said town, and if no petition is filed with the Clerk of the Town Board of Soldier Summit, as hereinafter provided, within twenty-one (21) days after the posting of the same, then, after the expiration of such twenty-one (21) days, this ordinance shall be in full force and effect, but if, within said period of twenty-one (21) days, a petition signed by ~~Fifty~~ ^{Fifteen} per cent of the number of voters voting for the President of the Town Board of Soldier Summit at the last preceding general town election and asking that the question of purchasing, constructing, or improvement and extending the project, and the issuance of such bonds, be submitted to the voters of said town, is filed with the Clerk of said Town, then the board shall call a special election in the manner provided by law to vote for a bond election to vote on said question. If it appears that a majority of the voters voting upon such question at such election vote in favor of purchasing, constructing, improving, repairing, or extending the project and the issuance of bonds, this said ordinance shall be in full force and effect; but if a majority of the votes cast are against such purchasing, construction, improvement, or extension and the issuance of such bonds, then the Town Board shall proceed no further under this ordinance.

SECTION 3. The reasonable cost in value of any services rendered to the town by the project may be charged against the town as the case may be, may be paid for periodically as the services accrue from the current funds, and money so paid shall be accounted for in the same manner as other revenues of the project.

SECTION 4. Additional bonds and other extensions and permanent improvements, which additional bonds may be issued and be negotiated from time to time as such proceeds for such purposes as may be necessary, may be issued and shall have equal standing with the bonds of the original issue.

SECTION 5. That as a means of financing the funding of said revenue or general obligation bonds, as the case may be, such rates shall be assessed in the town water works system or under the general tax levy for the maintenance of the said system as shall be sufficient to provide for the payment of the interest upon and principal of all such bonds as the same may become due and payable, to create a bond and interest sinking fund therefor, to provide for the payment of the expenses of administration and operation and such expenses for the maintenance of the water works system necessary to preserve the same in good repair and working order, to build up a reserve for depreciation, to build up a reserve for improvements, betterments, and extensions other than those necessary to maintain the same in good repair and working order, and to pay the interest on and the principal of any other bonds and obligations outstanding and issued in connection with the purchase, construction, repair, or improvement of the system. Such rates shall be fixed and revised from time to time as to produce these amounts, and there shall be provided on the face of each of said revenue bonds issued in agreement on the part of the town of Boulder a sum that said revenue shall be first set aside for payment of the said bonds in preference to all other obligations of the said water works system, and to maintain such rates for services furnished by the water works system as shall be sufficient to provide for the foregoing, but not in excess of a reasonable rate for the services rendered.

SECTION 6. That this ordinance shall be published by posting in at least three (3) of the most public places in said town, and if no petition is filed within the clerk of the town board of Boulder within twenty-one (21) days after the posting of the same, then after the expiration of such twenty-one (21) days, this ordinance shall be in full force and effect, but if, within said period of twenty-one (21) days, a petition signed by fifty percent of the number of voters voting for the president of the town board of Boulder is submitted at the last preceding general town election and asking that the question of purchasing, constructing, or improving, or extending the project, and the issuance of such bonds, be submitted to the voters of said town, as filed with the clerk of said town, then the board shall call a special election in the manner provided by law to vote for a bond election to vote on said question. If it appears that a majority of the voters voting upon such question at such election vote in favor of purchasing, constructing, improving, repairing, or extending the project and the issuance of bonds, this said ordinance shall be in full force and effect; but if a majority of the vote cast are against such purchasing, construction, improvement, or extension and the issuance of such bonds, then the town board shall proceed no further under this ordinance.

SECTION 7. In the opinoin of the town Board of Soldier Summit it is necessary to the peace, health, and welfarã of thïe community that this ordinance shall become operative at the expiration of twenty-one (21) days after its publication by posting, unless defeated by petition as provided in this ordinance.

SECTION 8. NOW, THEREFORE, BE IT ORDAINED that this ordinance shall be published by posting a copy of the same in at least three (3) of the most public places in the town.

SECTION 9. That all ordinances and resolutions, or parts of ordinances and resolutions, in conflict with the provisions hereof be and the same are repealed, and provided said ordinance becomes effective it shall remain irrepeable until said bonds and the interest thereon shall have been fully paid, satisfied and discharged as required by the Federal Government and the laws of the State or Utah.

C E Maddox, J E Boyack, Mr L C Montgomery, Mrs Maddox,
Mrs Lewis, Mrs Gilmer, Mr Gilmer, Mr Chas. Hamolin,
Ralph Lewis, Vilda Bills.

Minutes read and approved.

No reports from committees.

Mr Lewis reported a state truck had broken thru the bridge by the school house. Mr Lewis will have it fixed as soon as possible. Mrs Daniels wants the state to put guard rails all around the curve by her place. Cars are continually sliding off and going down onto her property.

Mr Lewis reported he had given Chris Nelsen, a peddler, a license to peddle around town. Mr Nelsen has never paid for the license.

Mr Lewis said rumor had reported he was holding down a job out of town, and that he was neglecting his his marshal duties. Mr Lewis was told to ignore it.

Gust Nickolodenus asked for a license to dispense 3.2 beer, at the building known as the "Hiway" cafe. The clerk will instruct him that the board will pass on his application as soon as possible, and would consider his application before any other that may come in.

Emery Nason, sent in his resignation as justice-of-the-peace. A motion was made by C E Maddox and seconded by C H Milton that Mr Nason be asked to re-consider and hold the position until January 1934. If he does not wish to continue he can notify President Bills and be released immediately.

It was the census of the meeting that President Bills be governed, about changing the water loan from the P.W.A. to the C.W.A., by Mr Montgomery's report.

.....
This part of the minutes was not approved, but are are a part of the discussions, and represent the fact that L C Montgomery was here on invitation of C.E. Maddox trustee.

Mr Montgomery was asked by Mr Maddox to attend the regular meeting to talk over the water system. The County clerk sent word by Mr Montgomery, that we were to send an itemized bill of the election to him so the bill's can be paid.

Mr Montgomery asked about the unemployment situation, and explained why there was a misunderstanding over the hiring of the Wasatch County men. The unemployed in Soldier Summit are not all working. The contractor on the bridge said that in a short time he would be able to employ more men. Mr Bills gave a complete report on the road work.

Mr Montgomery reported that he had suggested that Mr Clegg handle the legal portion of the water application as he had had experience in making them out. Mr Montgomery also reported on the trip he and president Bills had made to Denver.

Mr Montgomery told Mr Howell, the railroad attorney, that if the railroad company had'nt protested he was satisfied the money would have been given to the Town of Soldier Summit, same as it was given to Heber City.

President Bills reproted his talk with Mr Cosand and Mr Wilson. They feel reasonably sure that the town will get the loan, and they talked about connecting thier water line with ours.

Mr Maddox asked Mr Montgomery who was to see that an election went on peaceably. Mr Montgomery said that it was the duty of a peace officer.

On the motion of C E Maddox, Mr Montgomery was awarded \$15.00 for the expense of his trip over here.

Minutes of the regular meeting of the Town
Board of Soldier Summit,
January 6 1934

Present: President Parley Bills, C H Milton, J E Boyack, C E Maddox, Ralph Lewis, Vilda Bills.

Minutes read and corrected. A motion was made by C E Maddox and seconded by J E Boyack that all written statements made by L C Montgomery be stricken from the minutes.

Mr Milton reported that the road on the South side of the Viaduct was not wide enough to allow the mail truck to get thru. Mr Zabriskie will be asked to take the state truck over and widen the road.

Mr Bills telephoned to Mr Montgomery and asked him to draw up a beer ordinance, providing for the sale of beer in Soldier Summit. Mr Montgomery sent the ordinance over and it was read in full to the board.

President Bills asked Mr Montgomery about the legality of the old board holding a meeting, because the election is being contested. Mr Montgomery said the old board would have to hold office until the new board was appointed and qualified, and took the oath of office.

C E Maddox made a motion that the meeting be adjourned until the last Saturday in the month, and until Mr Montgomery would send a letter verifying his remarks, because he, Mr Maddox, didn't feel the board had authority to hold a meeting. Seconded by J E Boyack.

Mr Bills still contended that the board had legal authority to hold meetings.

Minutes of the special meeting of the Town
Board of Soldier Summit, Utah.
February 19, 1934

Present: Pres. Parley Bills, J E Boyack, C E Maddox, C H Milton, R D Shepard, L C Montgomery, Ralph Lewis, Vilda Bills, and visitors.

Mr Montgomery brought some supplies over for the unemployed.

The attorney-general, Mr Joseph Chez, gave a ruling that Mrs Lewis was not a legal member of the town board. The officers that were elected in 1931 are the legal officers of the town. Mr Montgomery recommended that the old board hold over just as it is. He also suggested that the officers all get personal bonds instead of surety bonds, and save the premiums.

Mr Montgomery inspected the clerks books and reported that they were in a very good condition, and clear and simple enough for anyone to understand.

Mr Montgomery suggested that the chairman of the various committees study that particular office and be responsible for the warrants that are issued from that office and ok them.

A motion was made by C E Maddox and seconded by J E Boyack to appoint Ralph Lewis as Marshal and Water superintendent. Motion duly put and carried.

A motion was made by J E Boyack and seconded by C H Milton to appoint Mrs Helen Gilmer as clerk. C E Maddox voting yea, R D Shepard voting no.

A motion was made by R D Shepard and seconded by J E Boyack to appoint Mr E B Nason as treasurer for the town of Soldier Summit. Motion duly put and carried.

The matter of buying the option for water was deferred until the town receives more word about the water application, now pending in Washington.

A motion was made by J E Boyack and seconded by C E Maddox to adjourn until Friday night February 23, at 5:30 P.M.
